

# Exposys Data Lab

Education brings the gentleman, but  
reading ,good company and reflection  
must finish him.

# INTRODUCTION

- The system we have been working with in this project is the web-based Exposys Data Lab website.
- The application is designed to visit the exposys data lab website by the recipients through a complete online process based on website.

# Features

- Home
- Training
- Research and Development
- Promotion
- About us
- Contact and Careers

# Home

A home page is generally the main web page a visitor navigating to a website from a search engine will see, and it will also serve as a landing page to attract visitors.

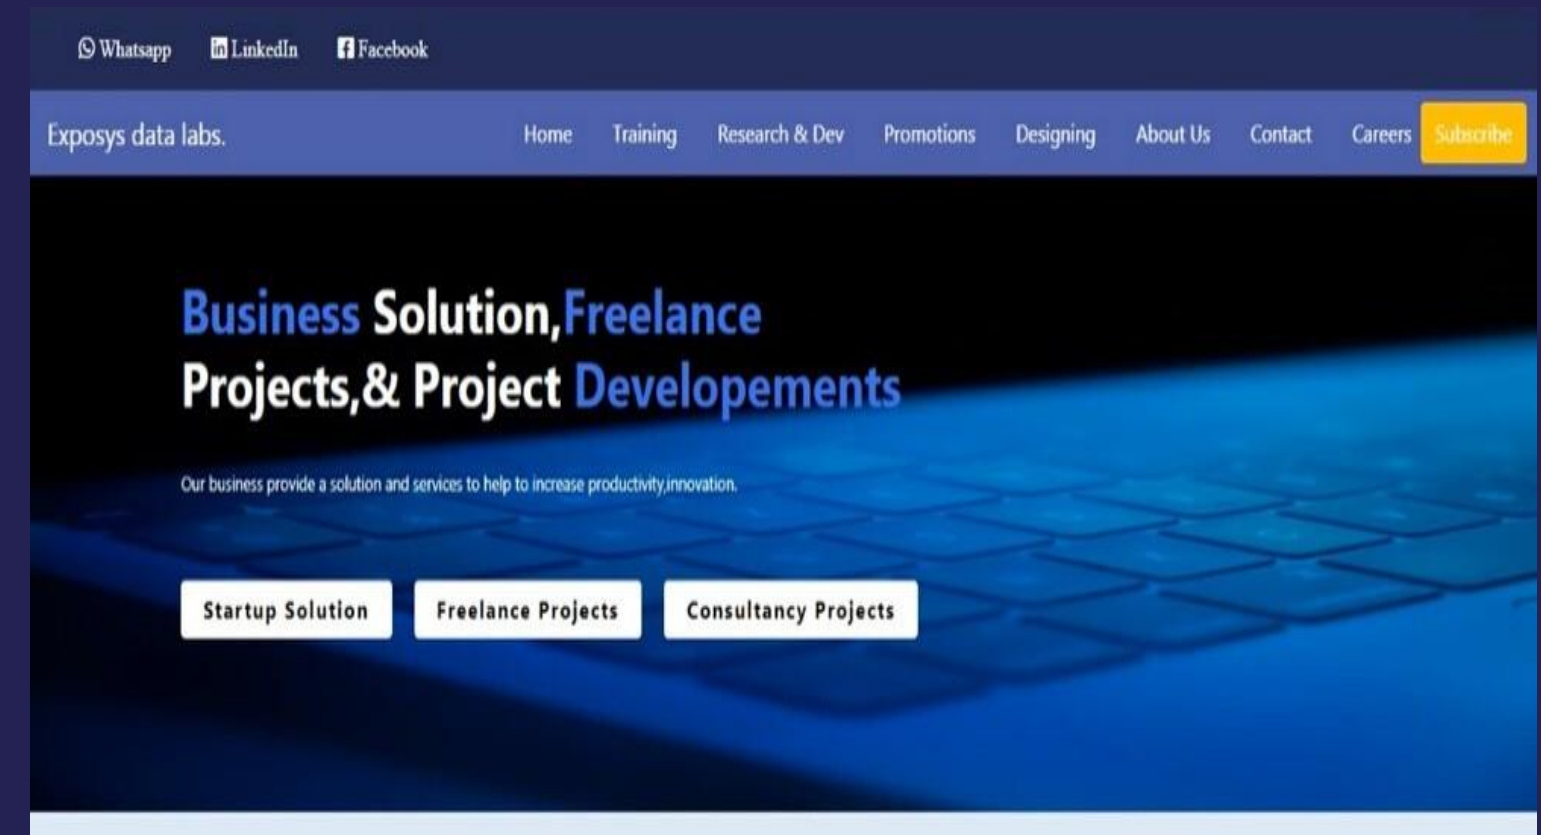

# Training

- Training is teaching, or developing in oneself or others.
- Any skills and knowledge or fitness that relate to specific useful competencies.

# Research and Development

Research and development (R&D) includes activities that companies undertake to innovate and introduce new products and services. It is often the first stage in the development process.

# Promotions

Promotions is also one of the elements in the promotional mix or promotional plan.

These are personal selling, advertising, sales promotion, direct marketing publicity and may also include event marketing, exhibitions and trade shows.

# About us

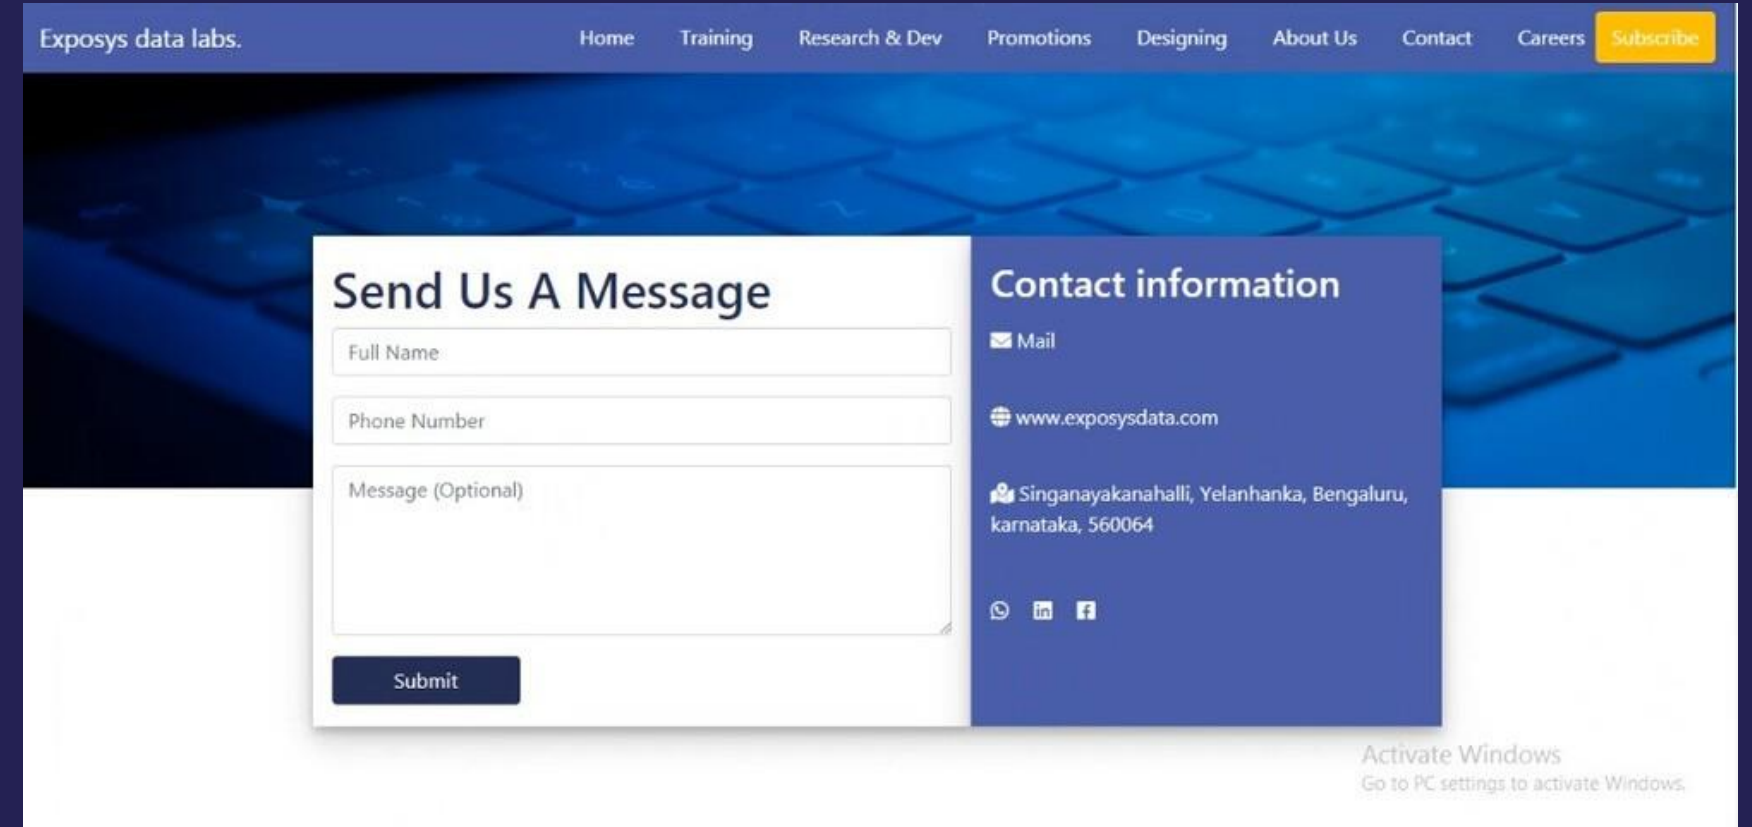

For a remarkable about page, all you need to do is figure out your company's unique identity, and then share it with the world. Easy, right? Of course not. Your "About Us" page is one of the most important pages on your website, and it needs to be well crafted.

# Contact and Career

User also given option to choose the kind of file they wish to upload i.e. in Pdf file or word file or Images.

The screenshot displays the 'Exposys data labs.' website. The navigation bar includes links for Home, Training, Research & Dev, Promotions, Designing, About Us, Contact, and Careers, along with a yellow 'Subscribe' button. The main content area features a 'Send Us A Message' form with fields for 'Full Name', 'Phone Number', and 'Message (Optional)', and a 'Submit' button. To the right, a 'Contact information' box provides the email address, website URL (www.exposysdata.com), physical address (Singanayakanahalli, Yelahanka, Bengaluru, karnataka, 560064), and social media icons for WhatsApp, LinkedIn, and Facebook. A Windows watermark is visible in the bottom right corner.
